## STEP 1

**Type "Kenny S"**

**Login**

Welcome Member

Username

Kenny|

Password

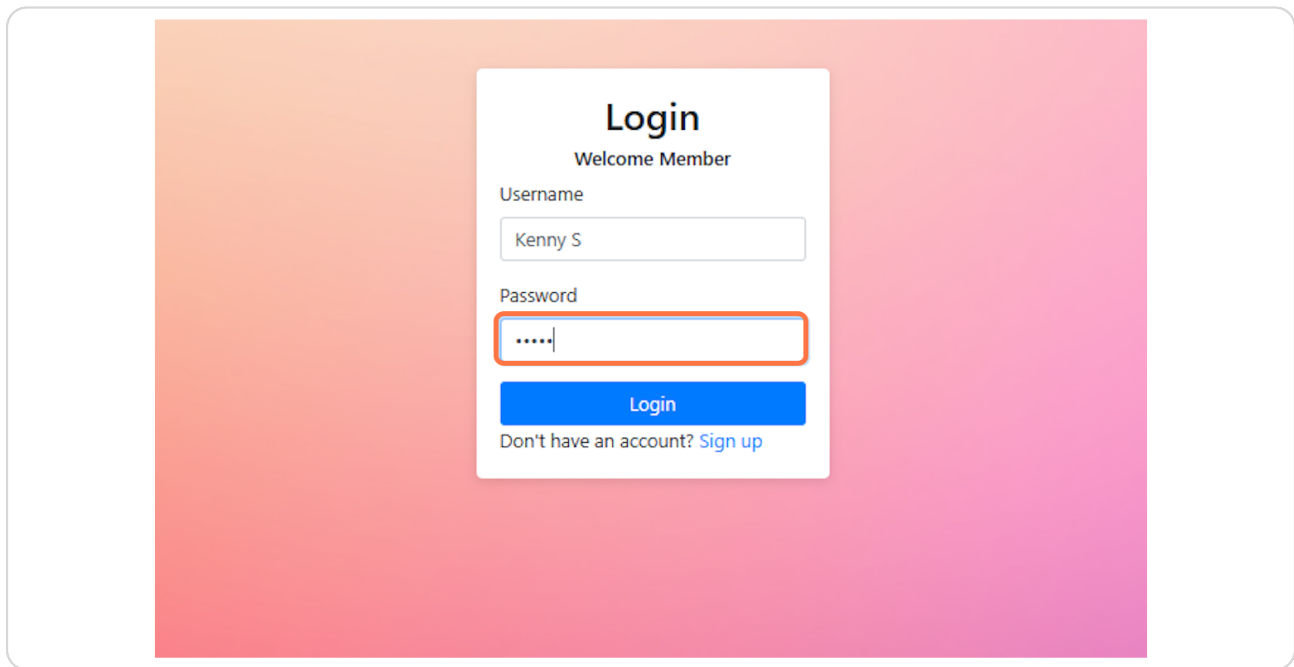

Enter your password

Login

Don't have an account? [Sign up](#)

## STEP 2

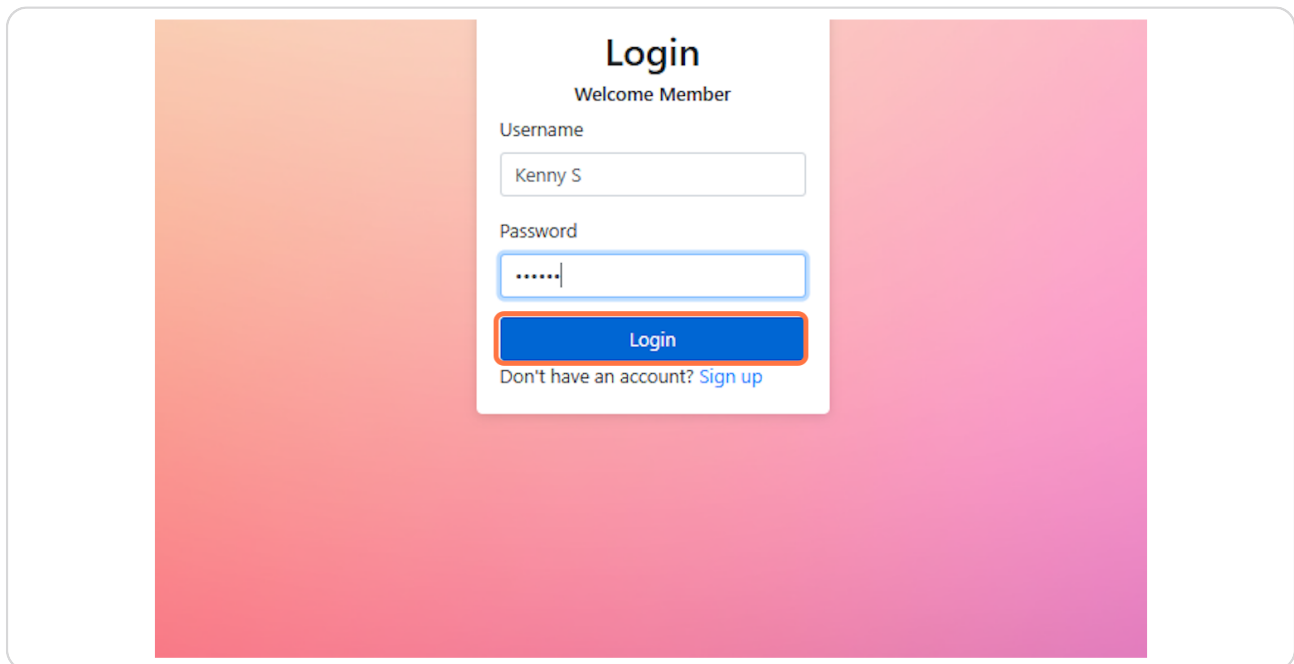

### Type password

The image shows a login form titled "Login" with the subtitle "Welcome Member". It contains two input fields: "Username" with the value "Kenny S" and "Password" with masked characters ".....". The "Password" field is highlighted with a red border. Below the fields is a blue "Login" button. At the bottom, there is a link "Don't have an account? Sign up". The form is centered on a background with a pink-to-orange gradient.

## STEP 3

### Click on Login

The image shows the same login form as in Step 2. In this step, the "Login" button is highlighted with a red border, indicating the action to be performed. The form structure, including the "Username" field with "Kenny S", the "Password" field with ".....", and the "Sign up" link, remains the same. The background is a pink-to-orange gradient.

## STEP 46

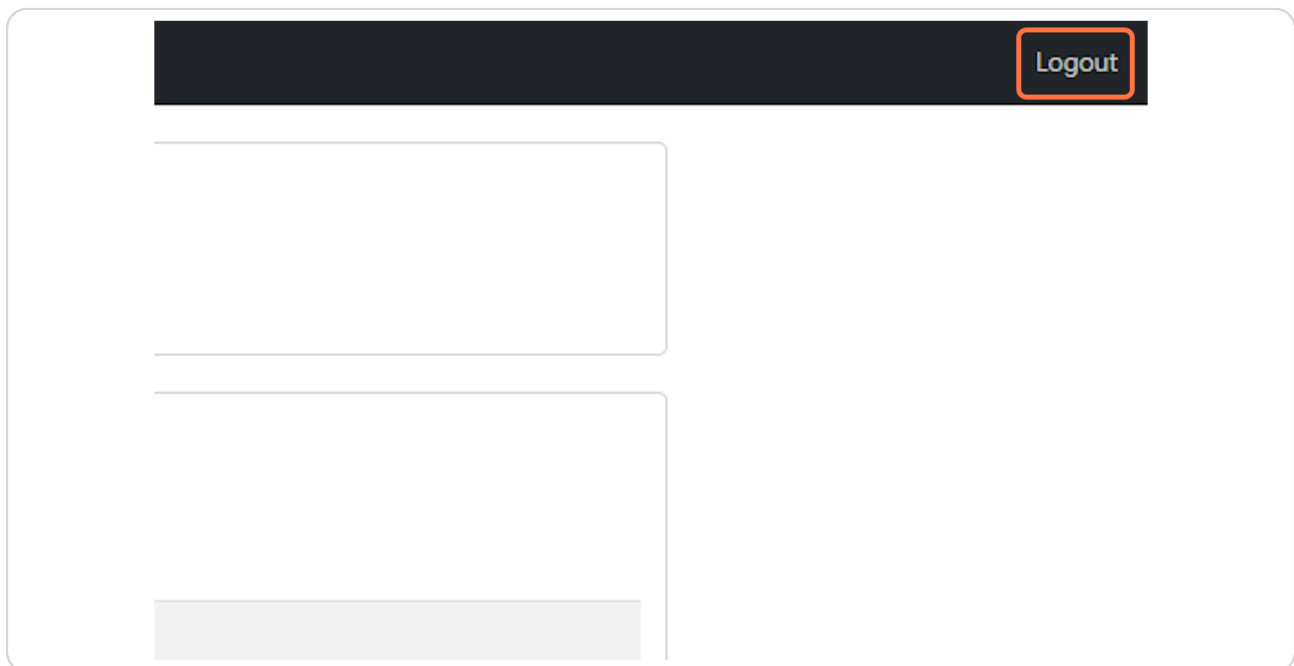

### Click on Bakery Dashboard

The screenshot shows a web interface for a bakery dashboard. At the top, a dark header bar contains the text "Bakery Dashboard" in white, which is highlighted with an orange rectangular box. Below the header, a green message box displays "Consumption record added successfully!". The form contains several input fields: "Fruit" with "Apple" entered, "Quantity" with "Enter quantity", "Consumption Date" with "日/月/年", and "Season" with "Spring". A blue "Submit" button is located at the bottom of the form.

## STEP 47

### Click on Logout

The screenshot shows the same web interface as in Step 46. In this view, the "Logout" button in the dark header bar is highlighted with an orange rectangular box. The rest of the form, including the success message and input fields, remains visible but is not the focus of this step.
