The screenshot shows a web interface for reserving fruits. At the top, a dark navigation bar contains the word "Bakery" (partially visible as "ard"). Below it, the title "Reserve Fruits" is centered. A green success message "Reservation successful!" is displayed in a box with a close button (X) on the right. Below this message is a form titled "Reserve Fruits from Warehouse". The form contains three input fields: "Select Fruit" (a dropdown menu with "Apple" selected), "Quantity" (a text input field), and "Reservation Date" (a date picker showing "日/月/年"). A blue "Reserve" button is located at the bottom left of the form.

## STEP 17

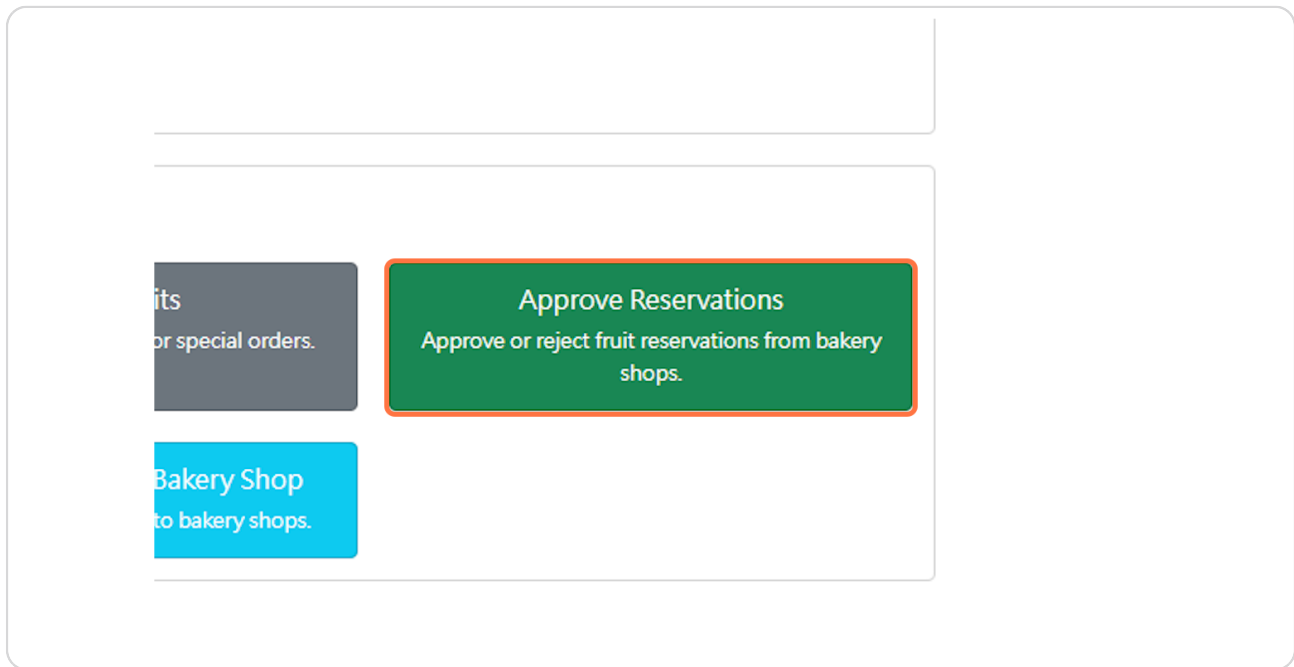

**Click on Bakery Dashboard**

The screenshot shows the "Bakery Dashboard" page. A dark navigation bar at the top contains the text "Bakery Dashboard", which is highlighted with an orange border. Below the navigation bar, the title "Reserve Fruits" is centered. A green success message "Reservation successful!" is displayed in a box. Below this message is a form titled "Reserve Fruits from Warehouse". The form contains three input fields: "Select Fruit" (a dropdown menu with "Apple" selected), "Quantity" (a text input field), and "Reservation Date" (a date picker). The "Reserve" button is not visible in this view.
