## STEP 1

### Click on Sign up

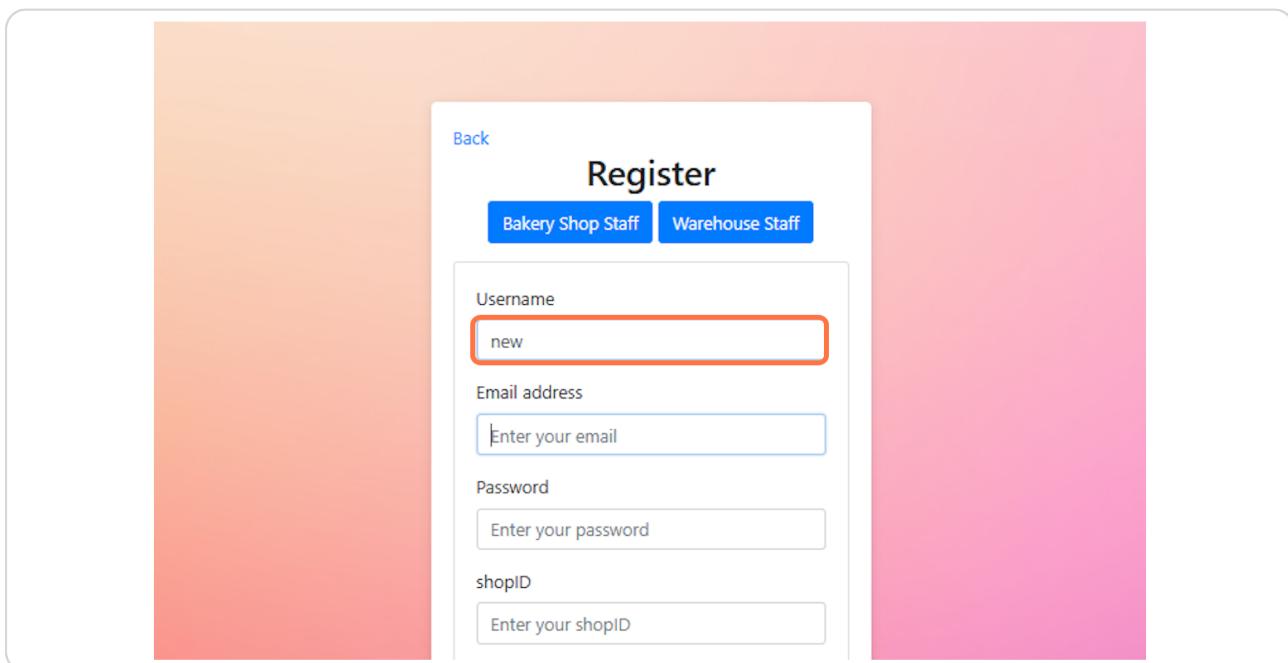

## STEP 2

**Click on Bakery Shop Staff**

## STEP 3

Type "new"

## STEP 4

Type "new@new"

The screenshot shows a registration form titled "Register". At the top, there are two buttons: "Bakery Shop Staff" and "Warehouse Staff", with "Warehouse Staff" being highlighted. Below the buttons is a "Username" field containing "new". The "Email address" field contains "new@new", which is outlined in red, indicating it is the current focus or has an error. The "Password" field is empty and has a placeholder "Enter your password". The "shopID" field is empty and has a placeholder "Enter your shopID". At the bottom is a blue "Register" button.

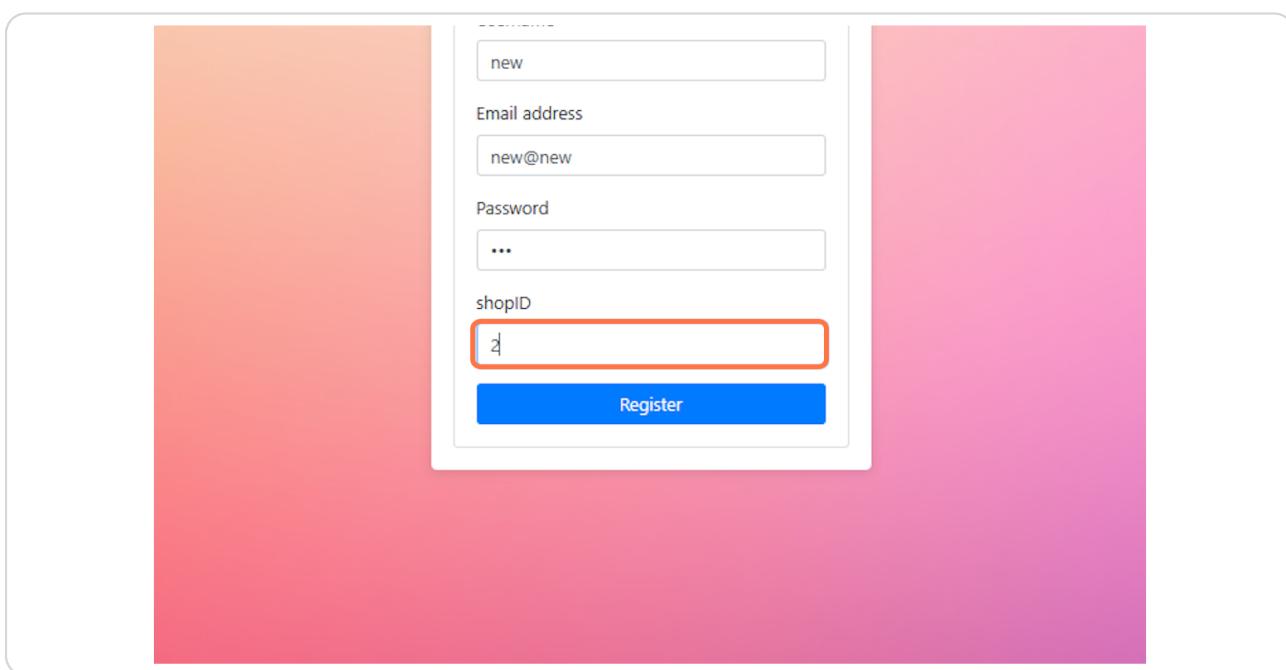

## STEP 5

Type password

The screenshot shows the same registration form as Step 4. The "Email address" field now contains "new@new", which is outlined in red. The "Password" field is filled with three dots (...), also outlined in red. The other fields and the "Register" button remain the same as in Step 4.

## STEP 6

Type "2"

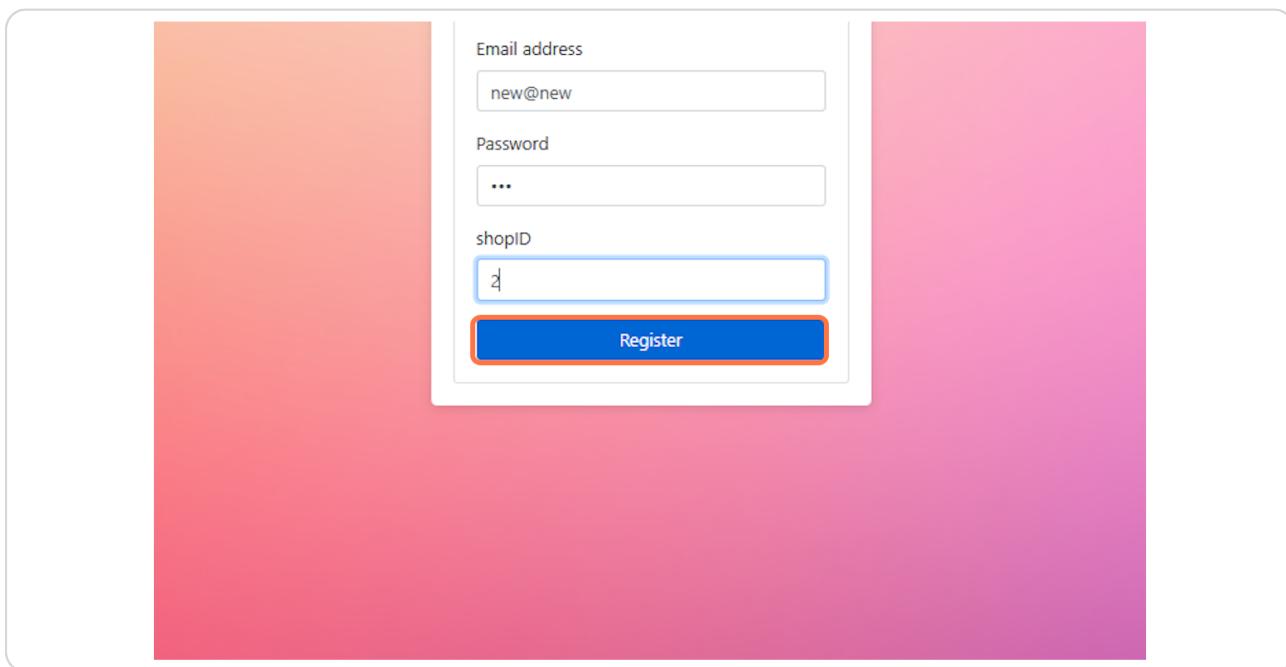

A registration form with four fields: Email address (new@new), Password (redacted), shopID (containing '2'), and a blue Register button.

The shopID field is highlighted with a red border, indicating it is the current input field.

<b>Register</b>

## STEP 7

Click on Register

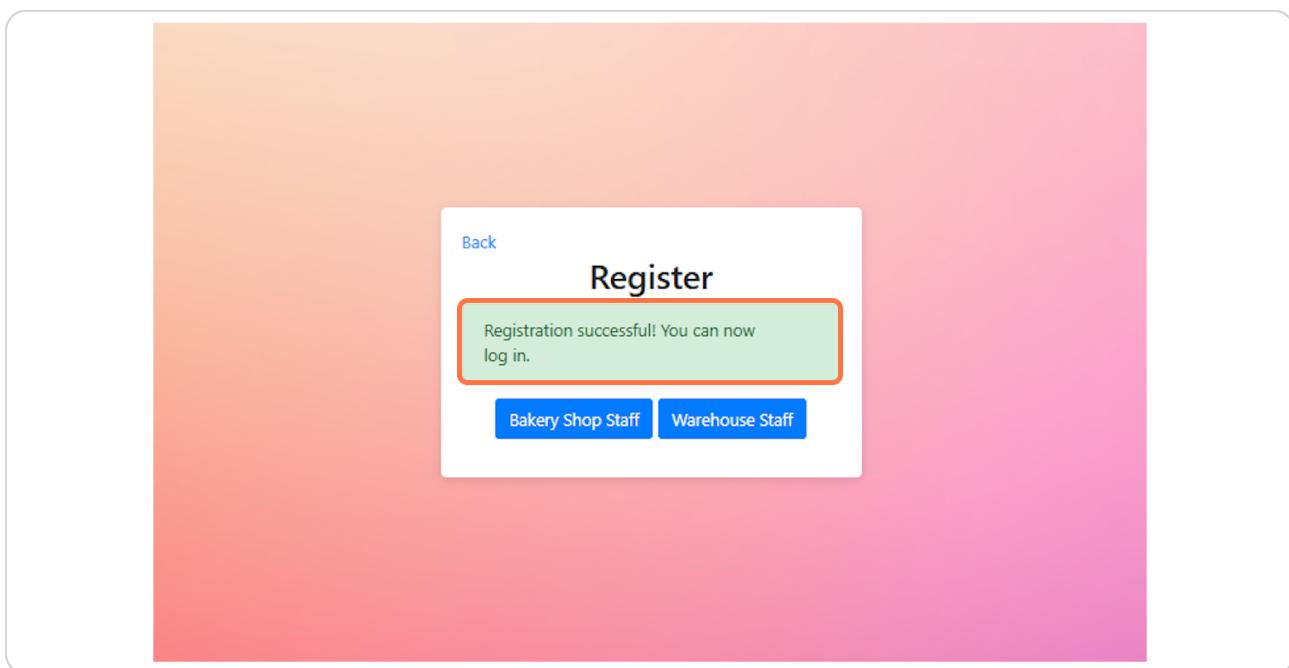

A registration form with four fields: Email address (new@new), Password (redacted), shopID (containing '2'), and a blue Register button.

The shopID field is highlighted with a blue border, and the Register button is also highlighted with a blue border, indicating they are the current inputs.

<b>Register</b>

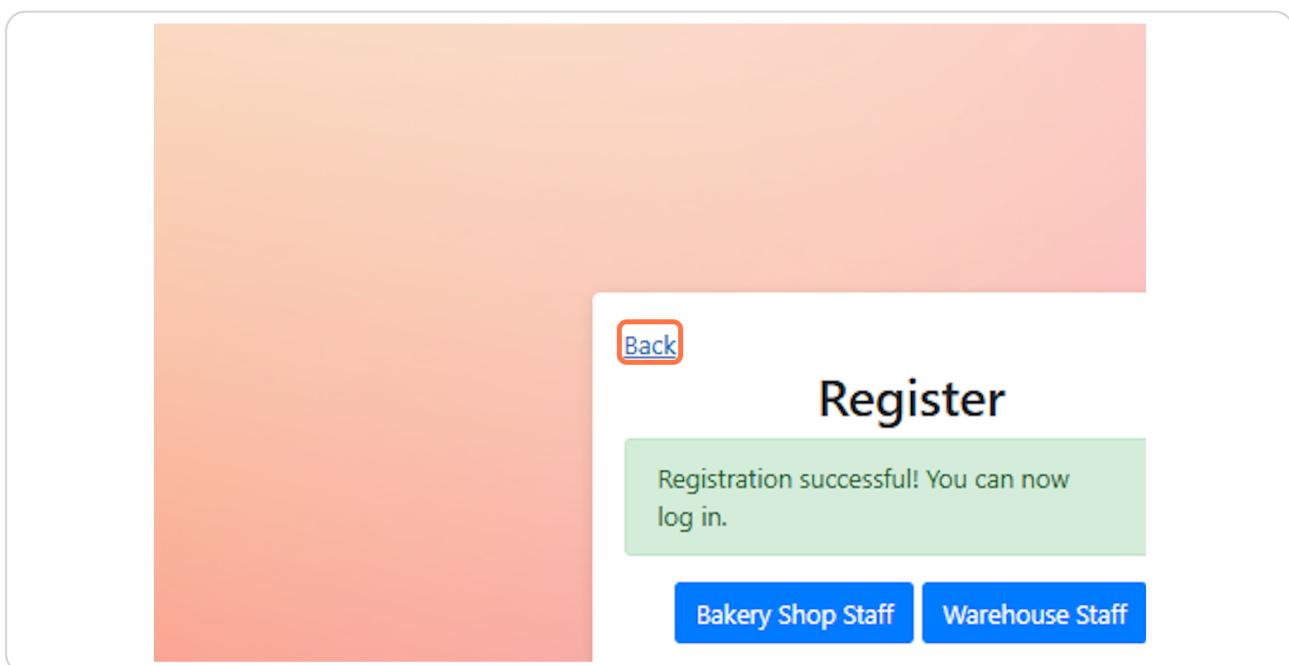

## STEP 8

**Click on Registration successful! You can now log in.**

## STEP 9

**Click on Back**

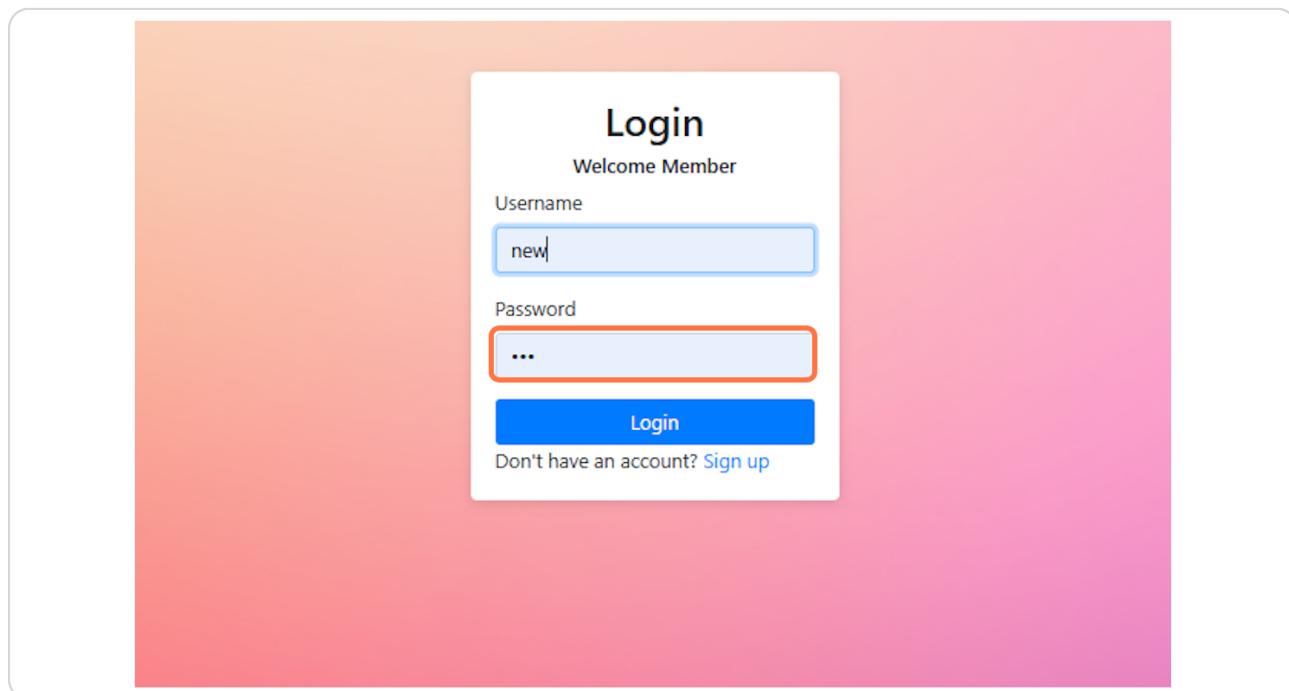

STEP 10

**Type "new"**

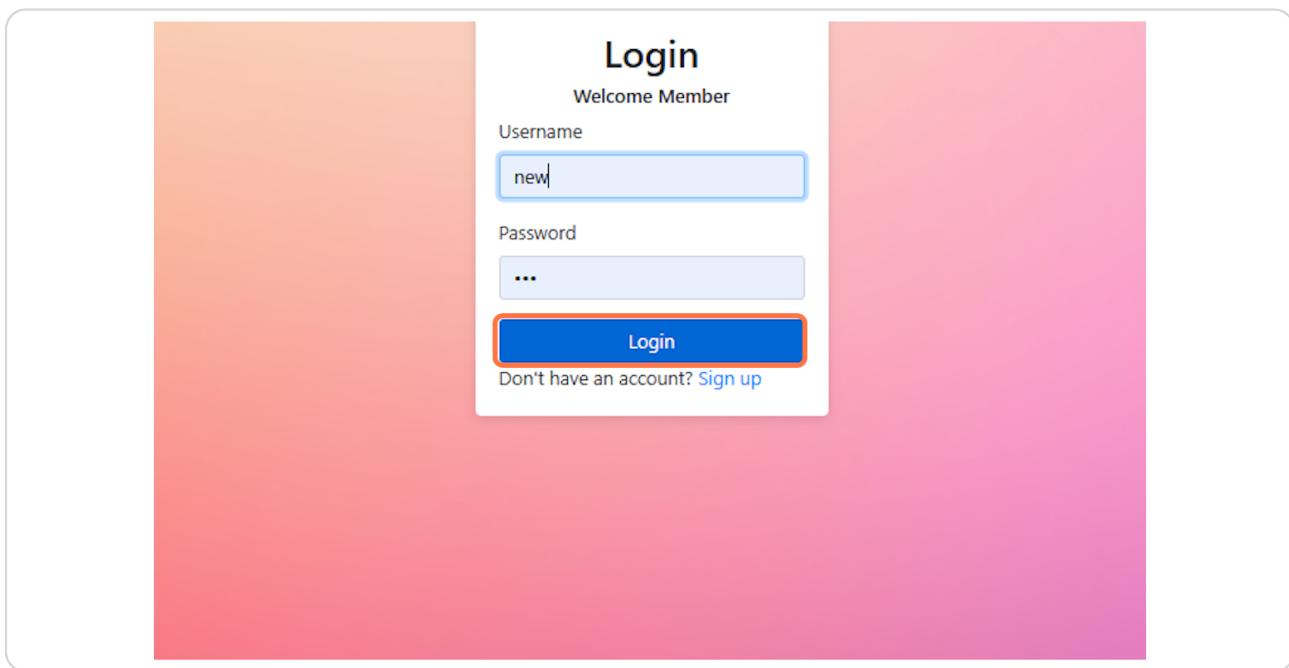

STEP 11

**Type password**

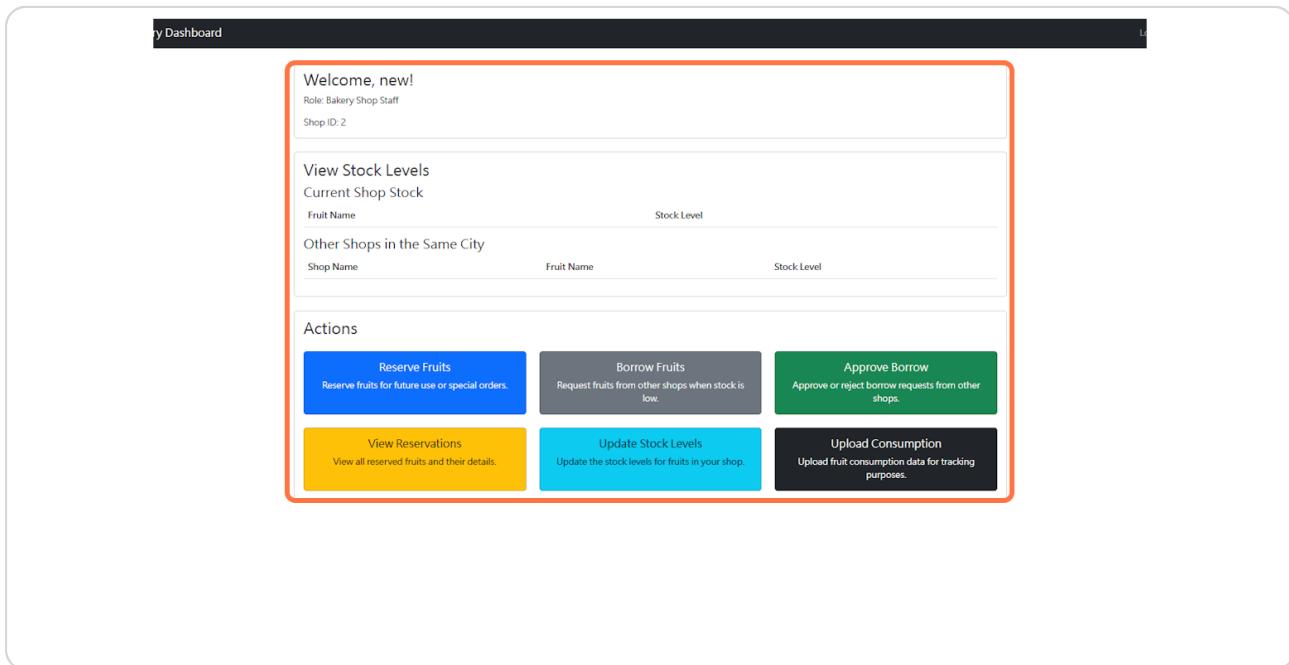

## STEP 12

### Click on Login

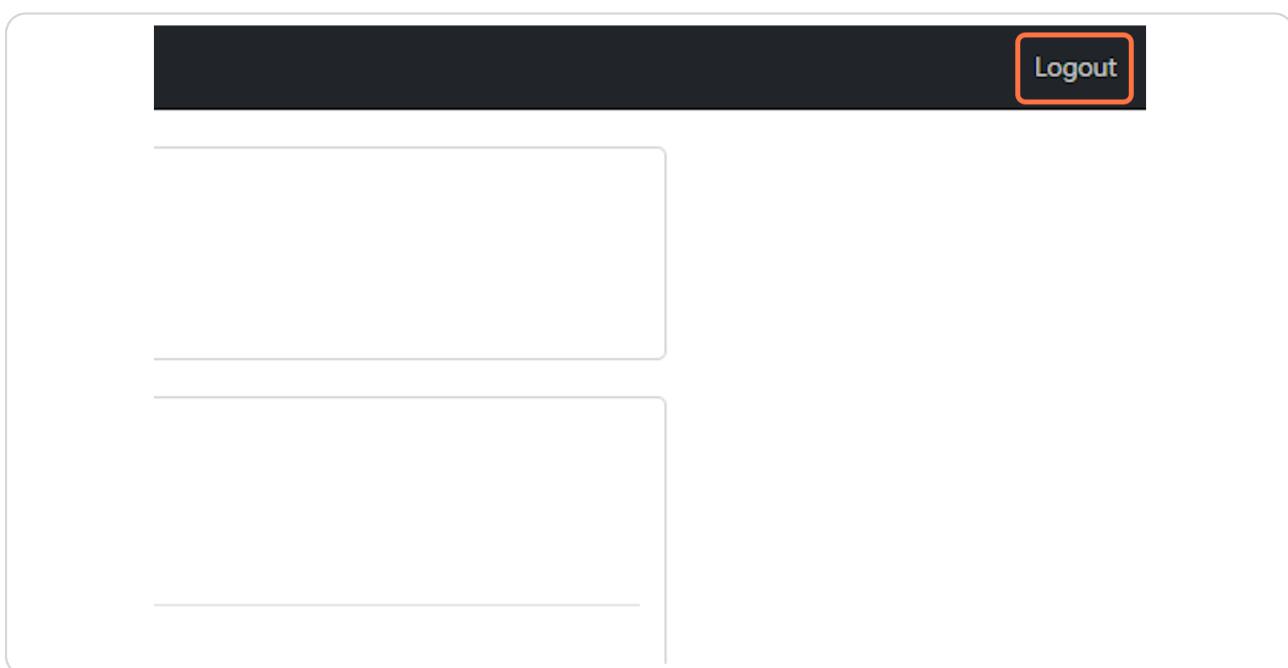

## STEP 13

### Click on Welcome, new!...

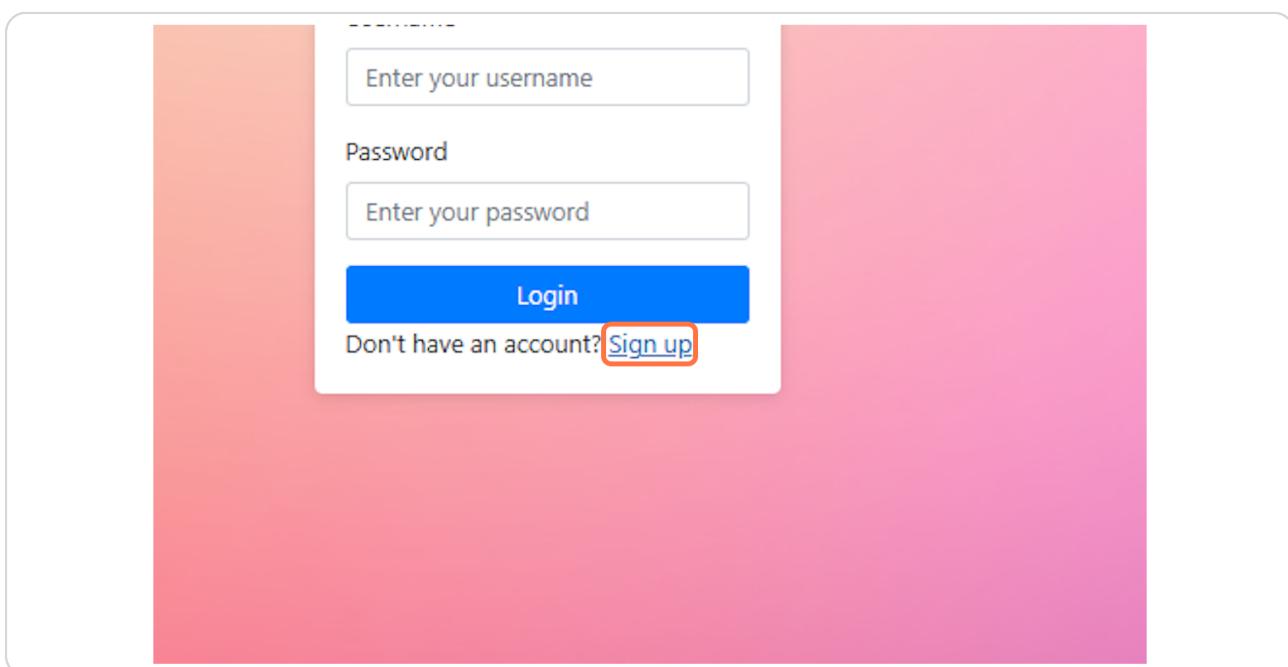

## STEP 14

**Click on Logout**

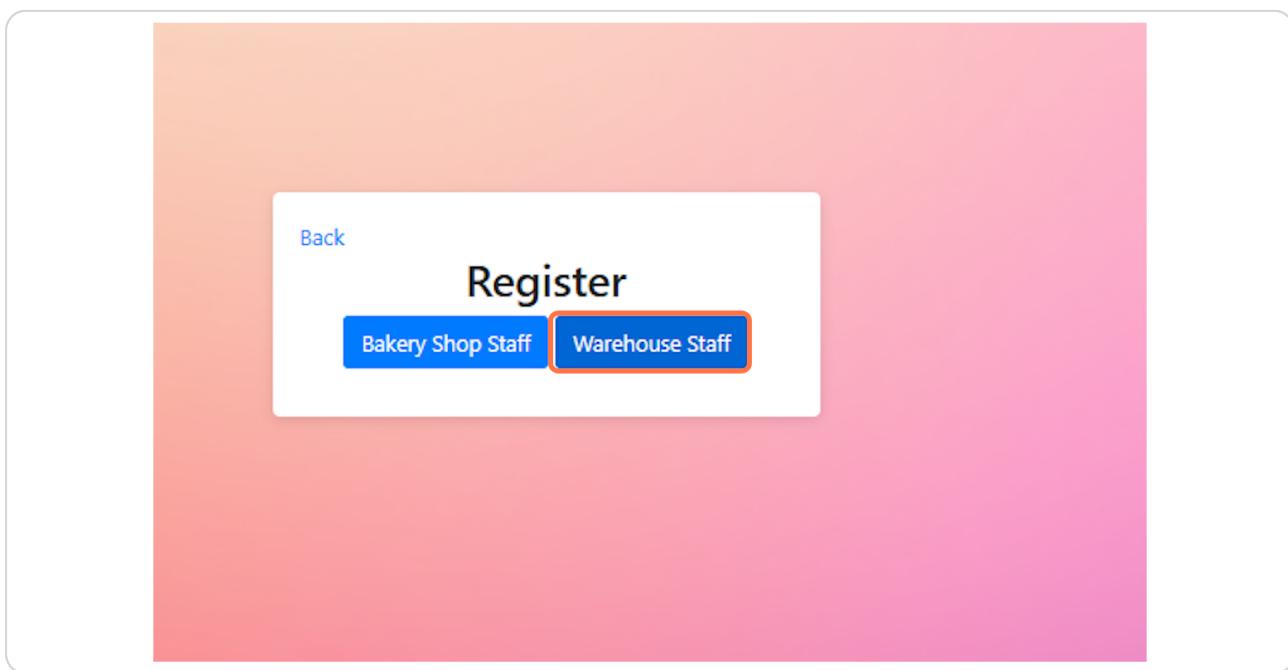

## STEP 15

**Click on Sign up**

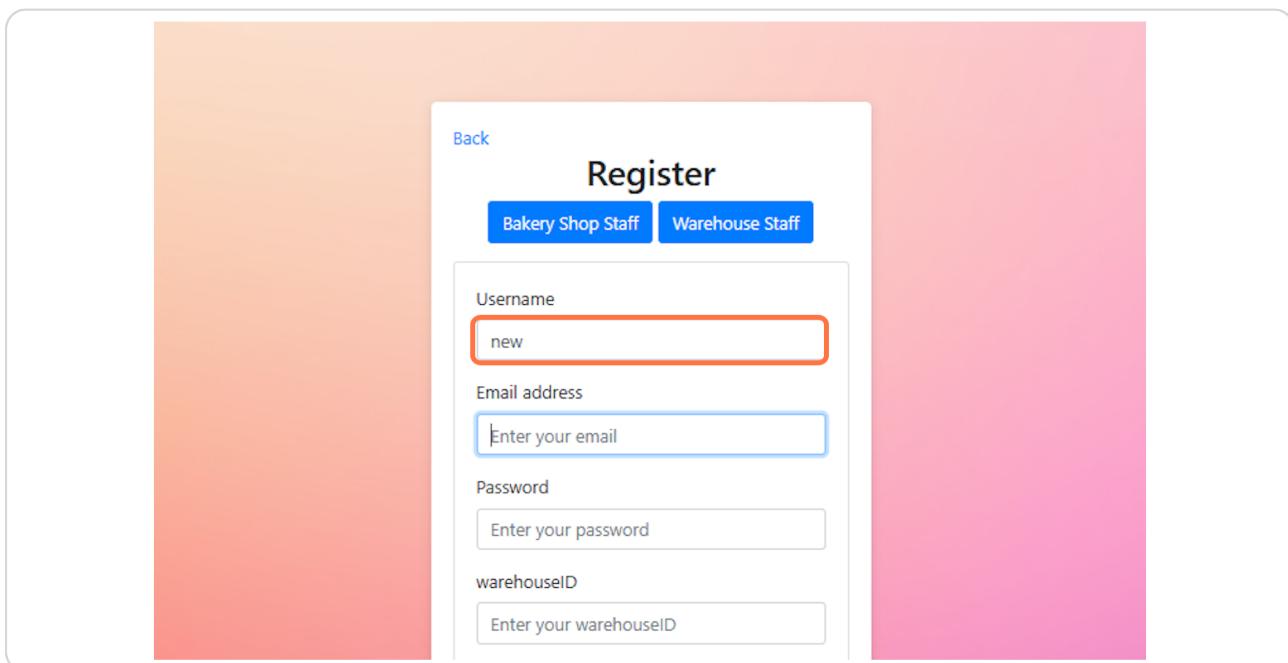

**STEP 16**

**Click on Warehouse Staff**

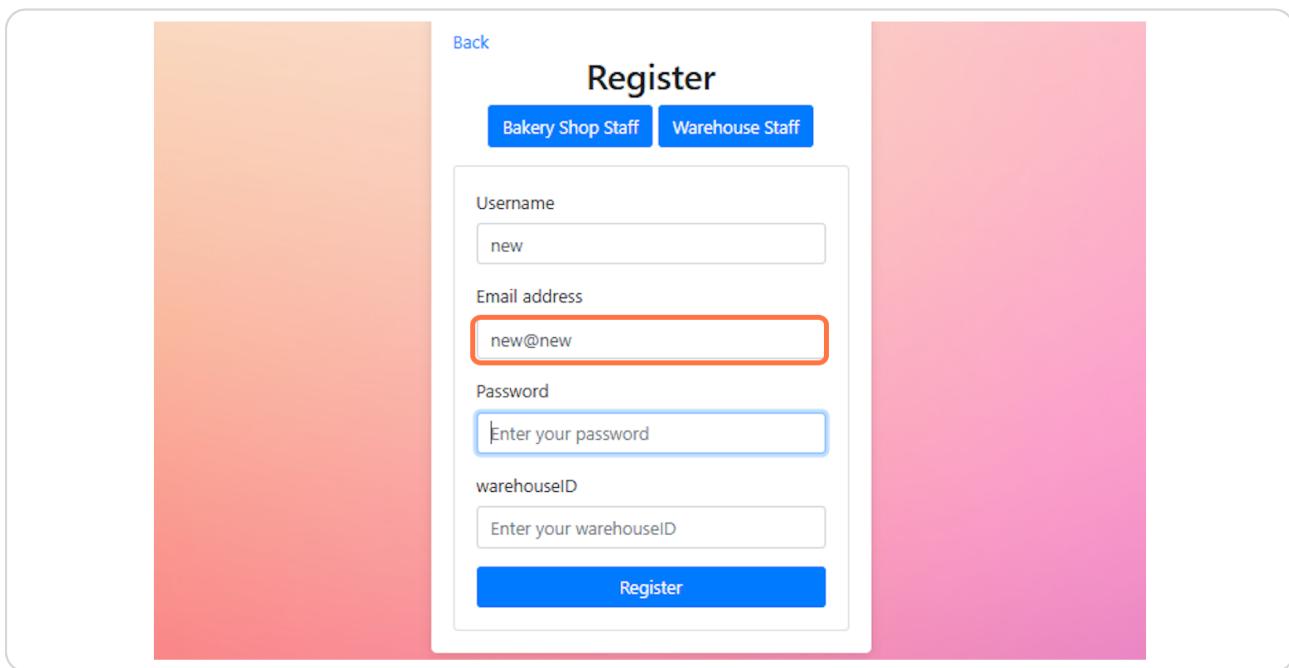

**STEP 17**

**Type "new"**

## STEP 18

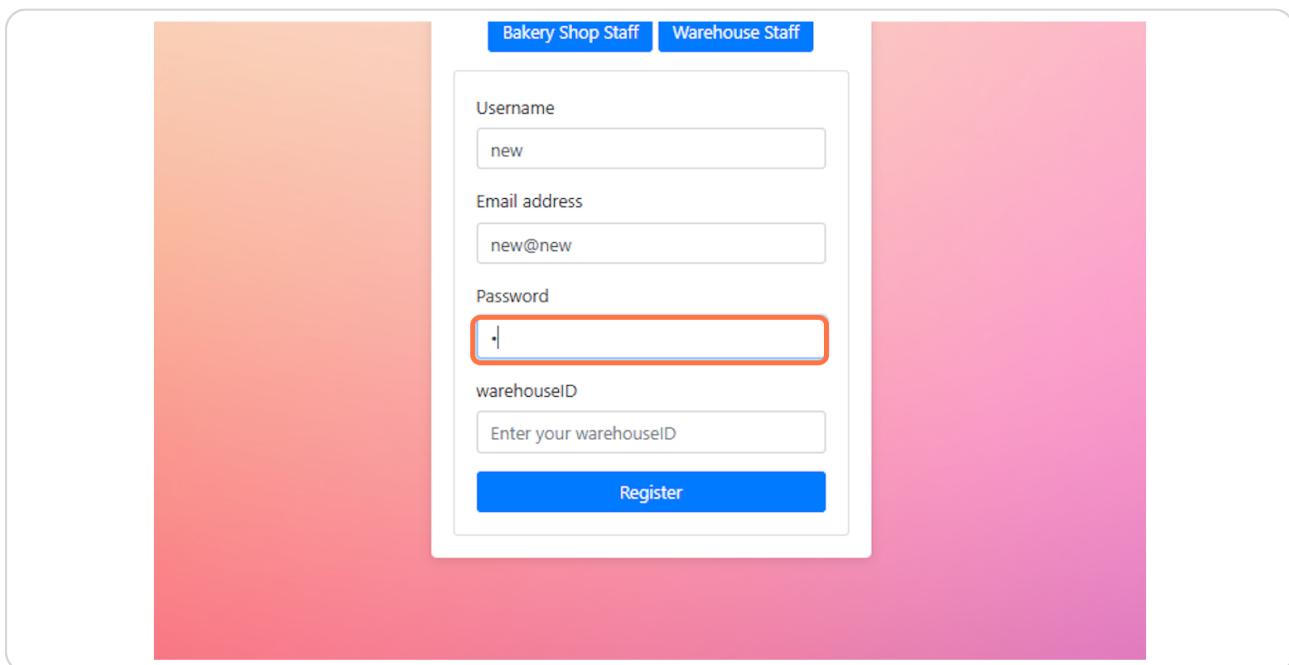

Type "new@new"

A registration form titled "Register". It has two tabs at the top: "Bakery Shop Staff" (selected) and "Warehouse Staff". The form fields are: "Username" (new), "Email address" (new@new, highlighted with a red border), "Password" (placeholder: Enter your password), and "warehouseID" (placeholder: Enter your warehouseID). A blue "Register" button is at the bottom.

## STEP 19

Type password

The same registration form as above, but the "Password" field now contains a single dot ("."). The "Email address" field is still highlighted with a red border.

## STEP 20

Type "22"

A registration form with four input fields: 'Email address' (new@new), 'Password' (redacted), 'warehouseID' (22), and a blue 'Register' button. The 'warehouseID' field is highlighted with an orange border.

new	
Email address	new@new
Password	...
warehouseID	22
Register	

## STEP 21

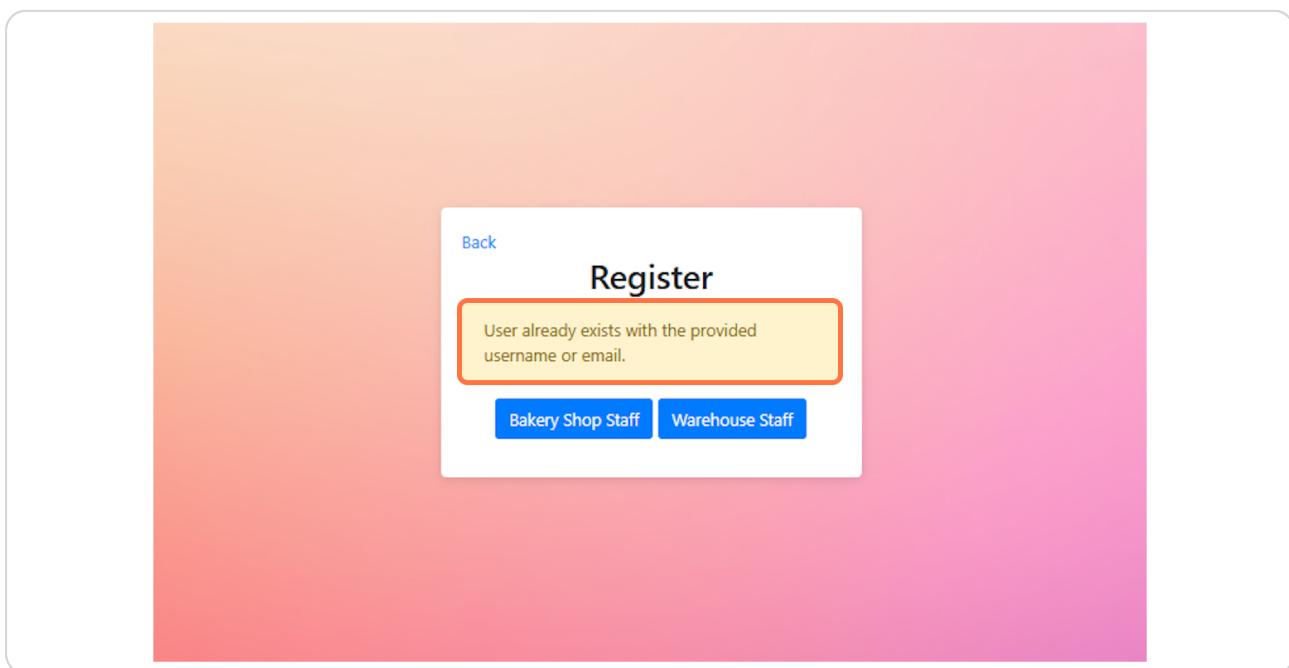

Click on Register

The same registration form as above, but now all fields ('Email address', 'Password', 'warehouseID') are filled and highlighted with a blue border. The 'Register' button is also highlighted with a blue border.

new@new

22
Register

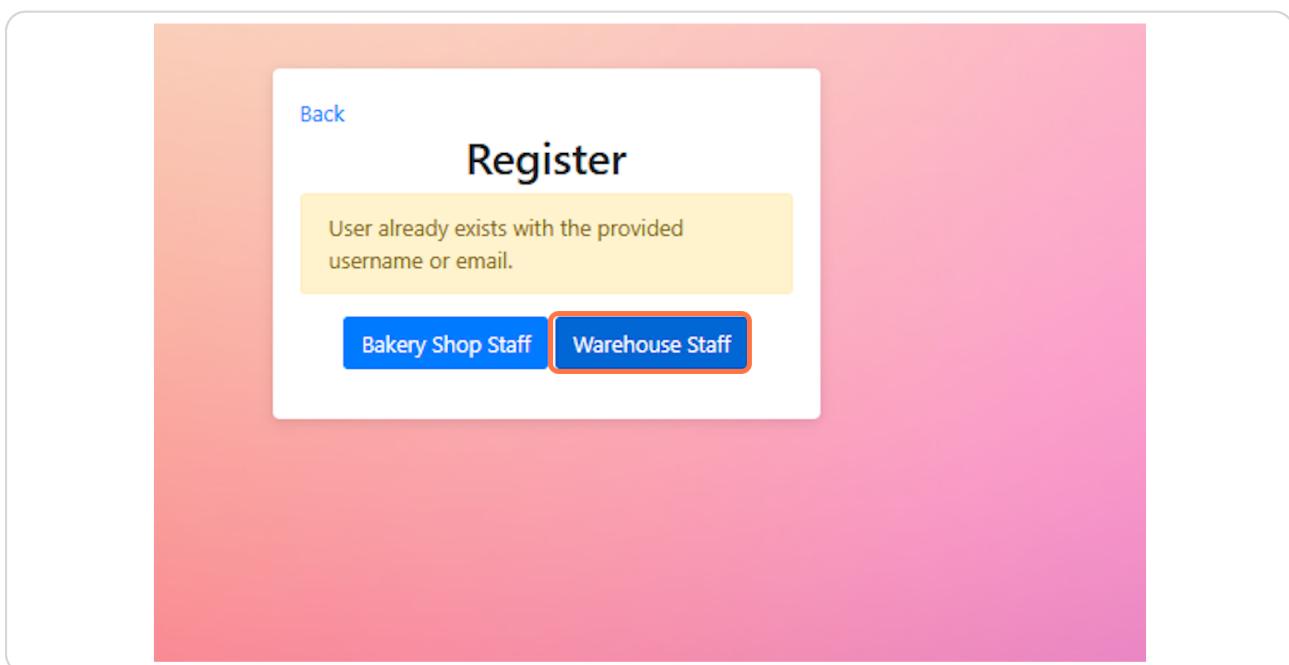

## STEP 22

**Click on User already exists with the provided username or email.**

## STEP 23

**Click on Warehouse Staff**

## STEP 24

Type "a"

The screenshot shows a registration form titled "Register". At the top, there is a yellow warning box stating: "User already exists with the provided username or email." Below the warning, there are two blue buttons: "Bakery Shop Staff" and "Warehouse Staff". The form fields are as follows: "Username" (containing "a", highlighted with a red border), "Email address" (placeholder "Enter your email"), "Password" (placeholder "Enter your password"), and "warehouseID" (placeholder "Enter your warehouseID").

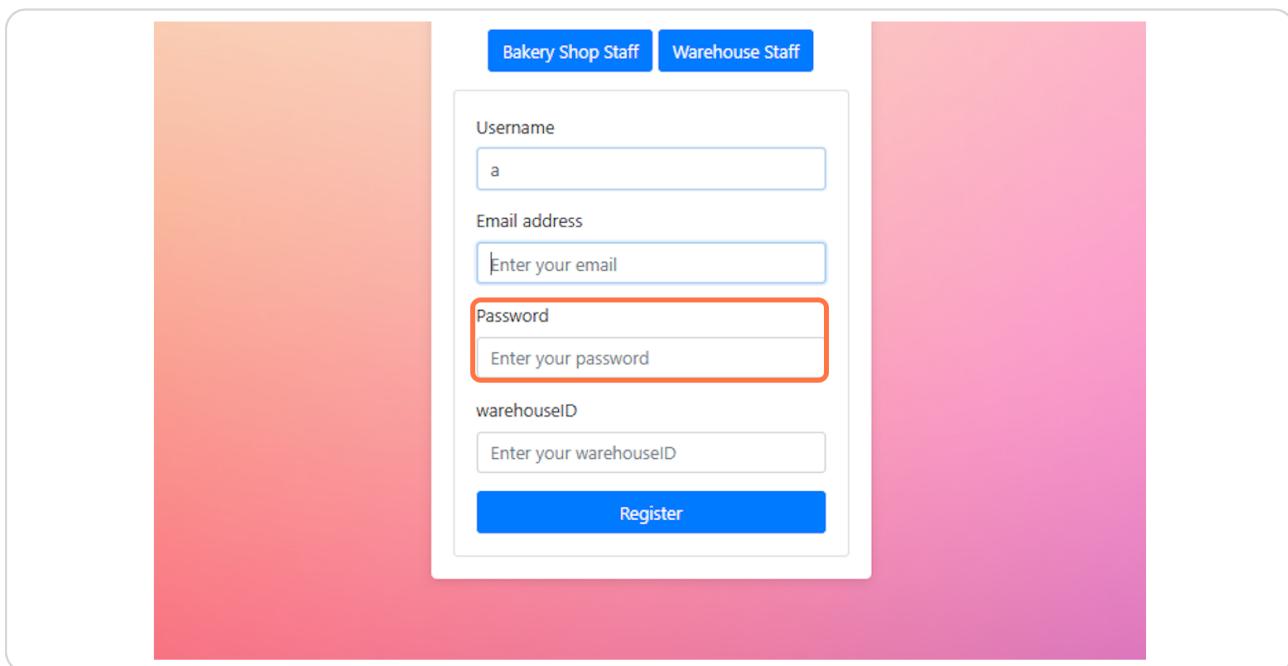

## STEP 25

Type "a"

This screenshot is identical to the one above, showing the same registration form and validation message. The difference is that the character "a" is now also highlighted with a red border in the "Email address" input field.

## STEP 26

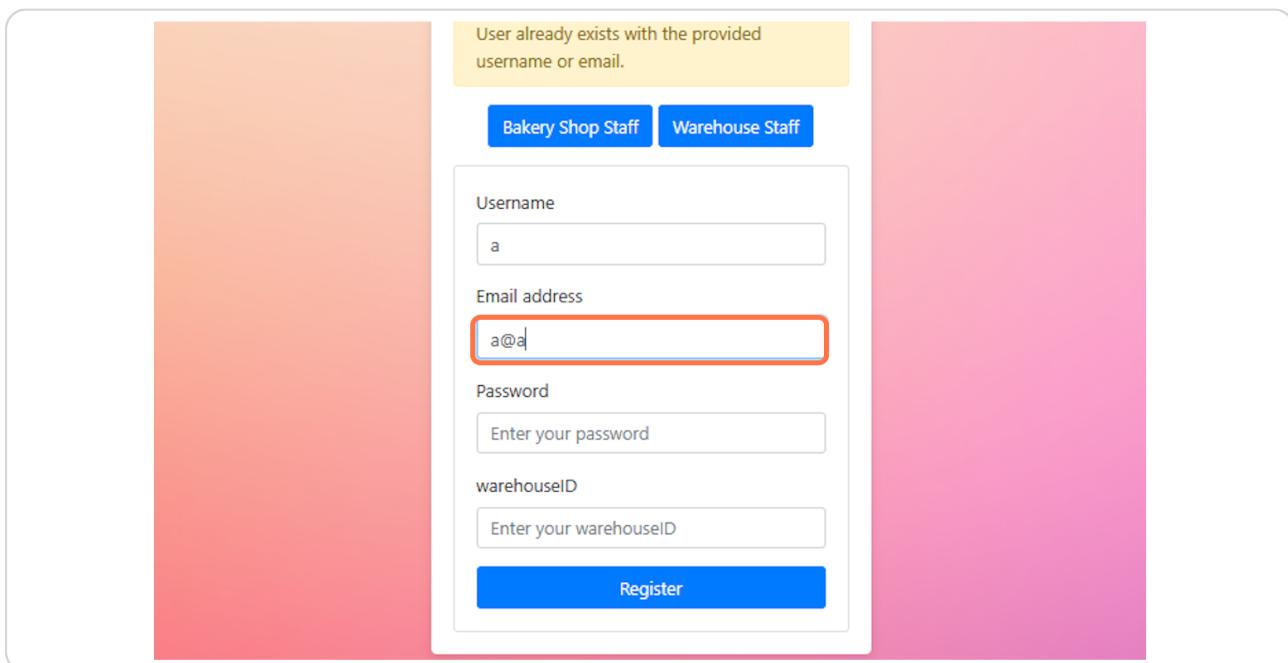

### Click on Password

A registration form interface. At the top, there are two buttons: "Bakery Shop Staff" and "Warehouse Staff". Below these are four input fields: "Username" (containing "a"), "Email address" (containing "Enter your email"), "Password" (containing "Enter your password" and highlighted with a red border), and "warehouseID" (containing "Enter your warehouseID"). A blue "Register" button is at the bottom.

## STEP 27

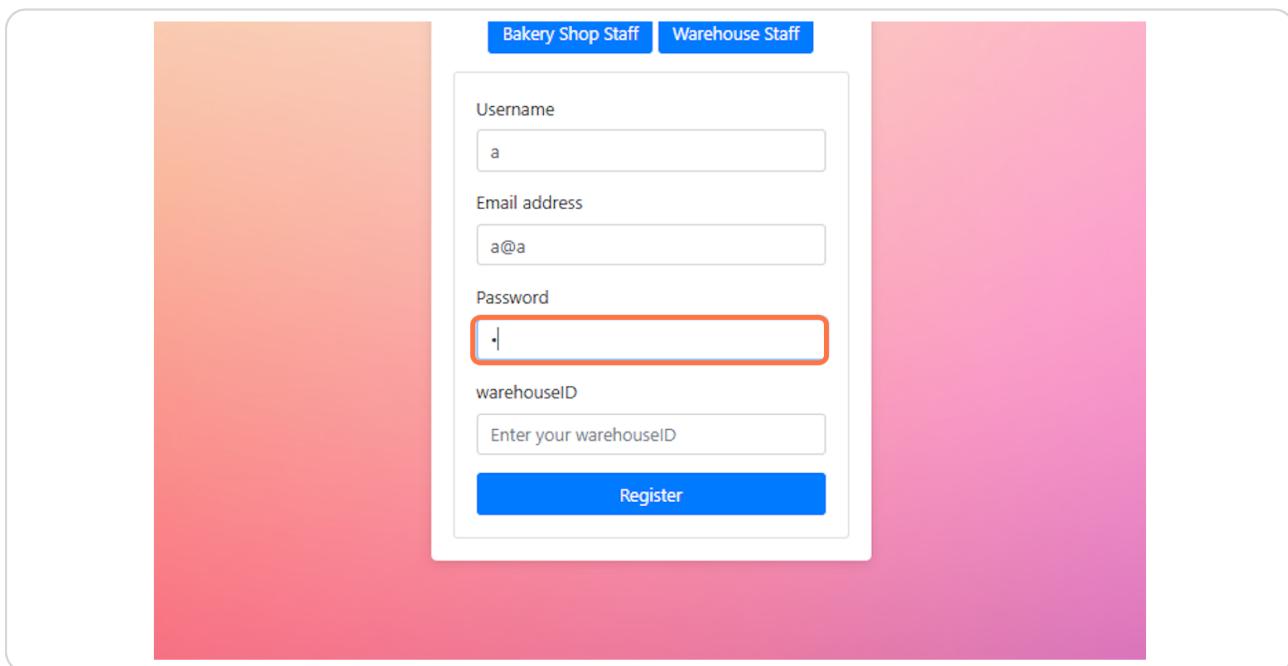

Type "a@a"

The same registration form as Step 26. A yellow message box at the top states: "User already exists with the provided username or email." The "Email address" field now contains "a@a" and is highlighted with a red border. The other fields and the "Register" button remain the same.

## STEP 28

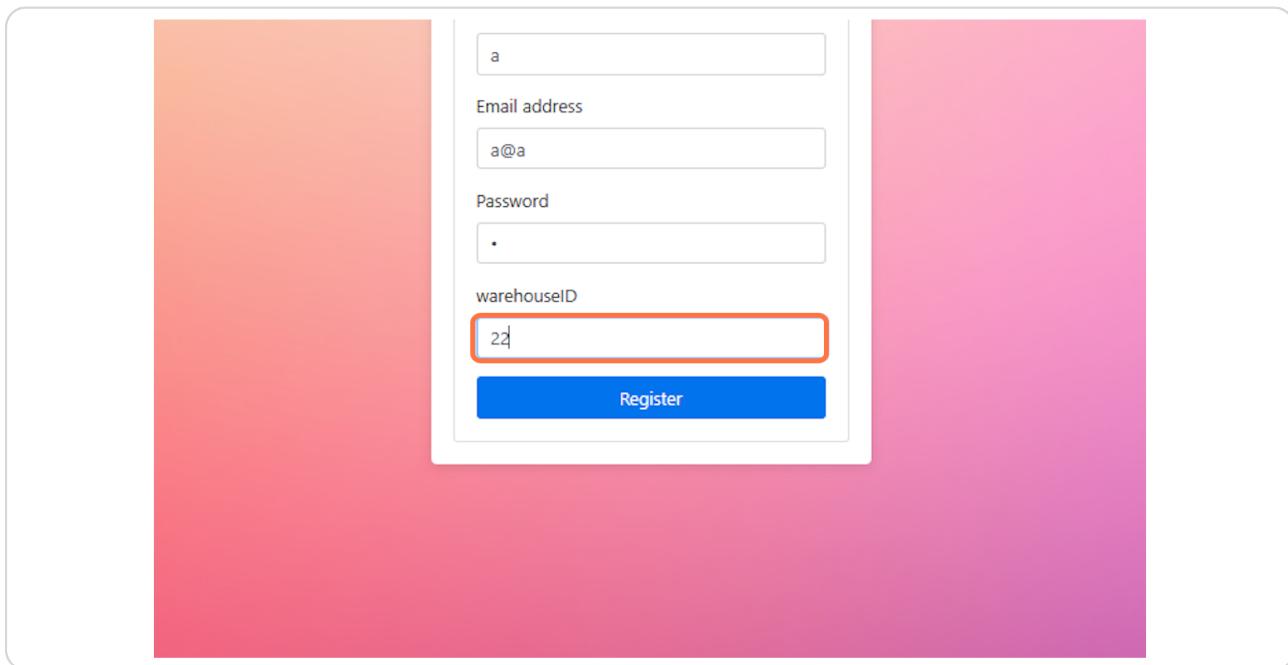

Type password

A registration form interface. At the top, there are two blue buttons: "Bakery Shop Staff" and "Warehouse Staff". Below them is a white input field labeled "Username" containing the letter "a". Next is an input field for "Email address" with the value "a@a". A third input field for "Password" is shown with a single character "•" and is highlighted with a red border. Below these is a fourth input field for "warehouseID" with the placeholder "Enter your warehouseID". At the bottom is a large blue "Register" button.

## STEP 29

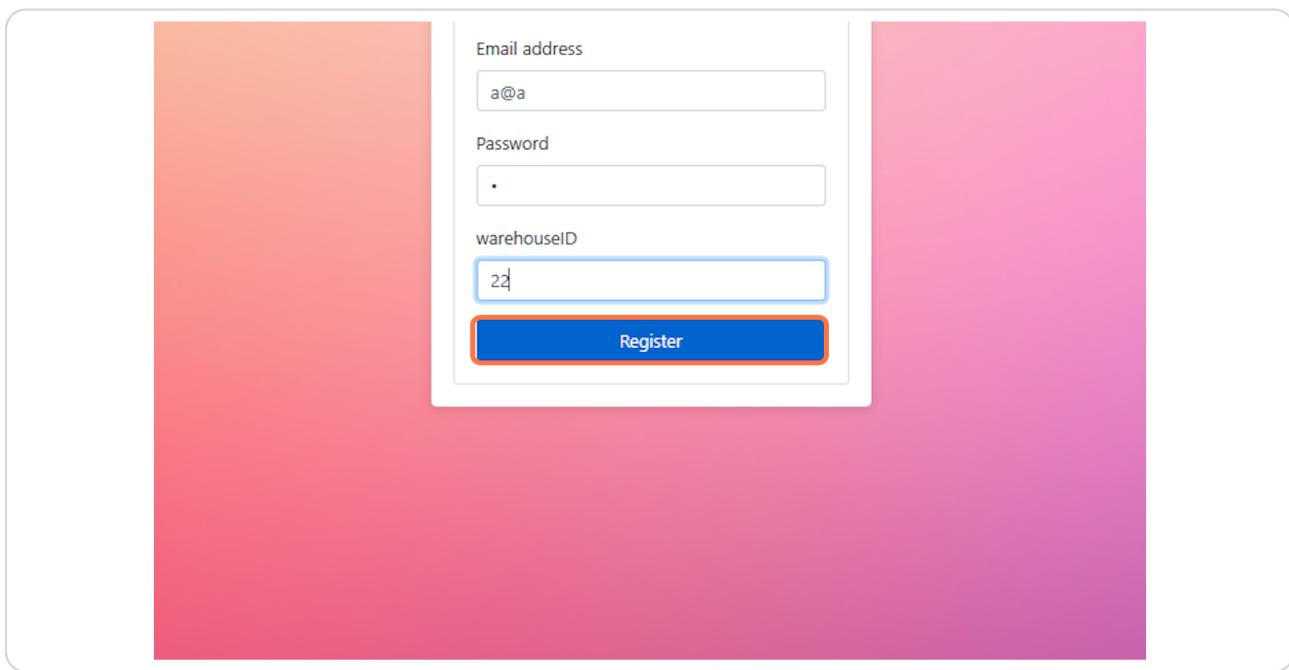

Type "22"

The same registration form as in Step 28. The "Password" field now contains "22" and is highlighted with a red border. All other fields and the "Register" button remain the same as in the previous step.

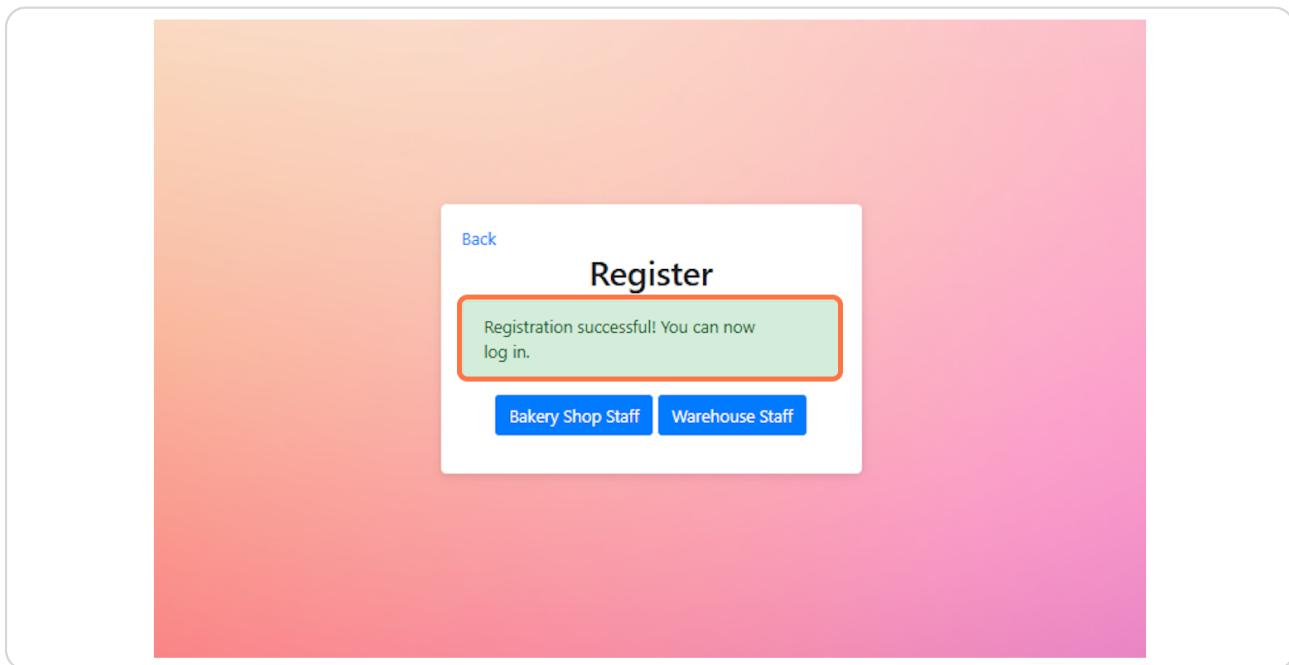

## STEP 30

**Click on Register**

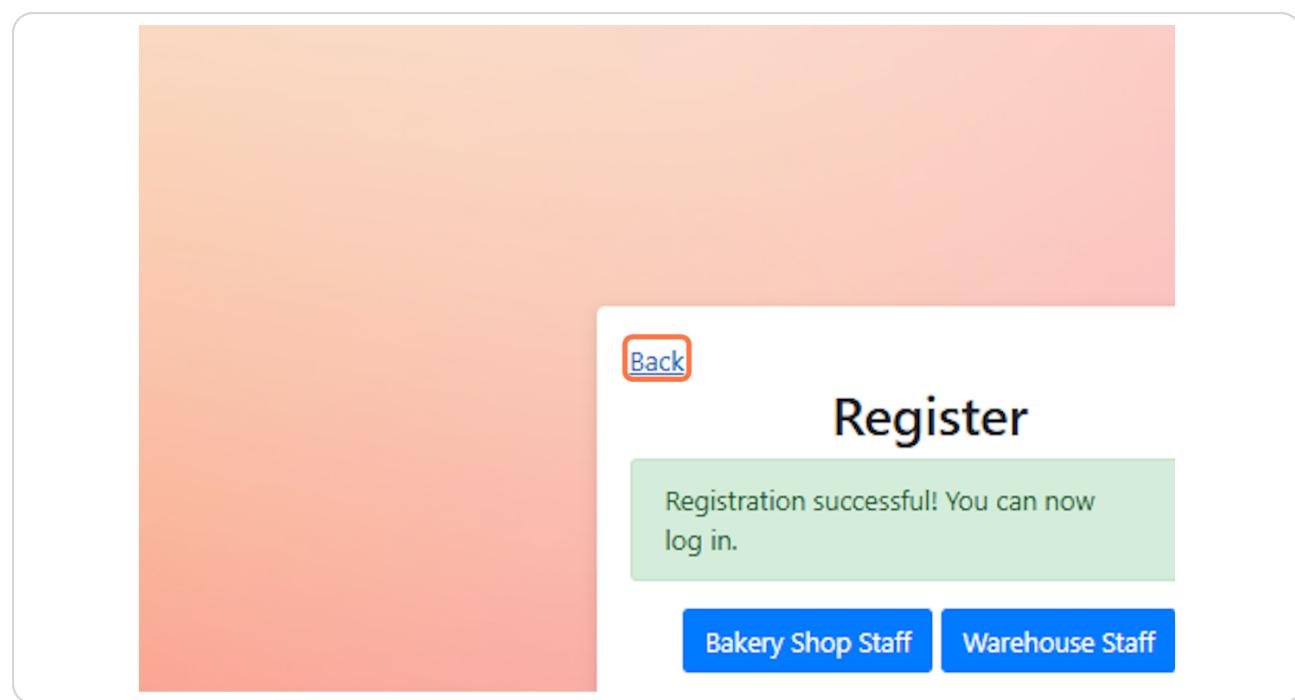

## STEP 31

**Click on Registration successful! You can now log in.**

**STEP 32**

**Click on Back**

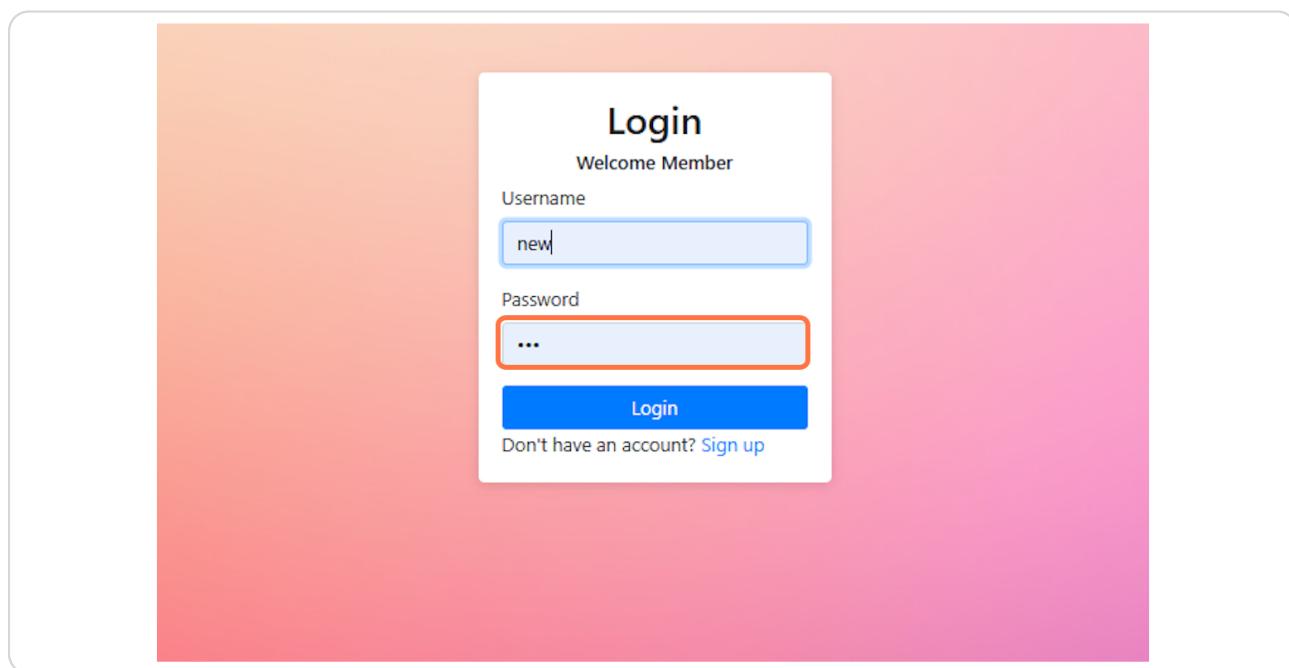

**STEP 33**

**Type "new"**

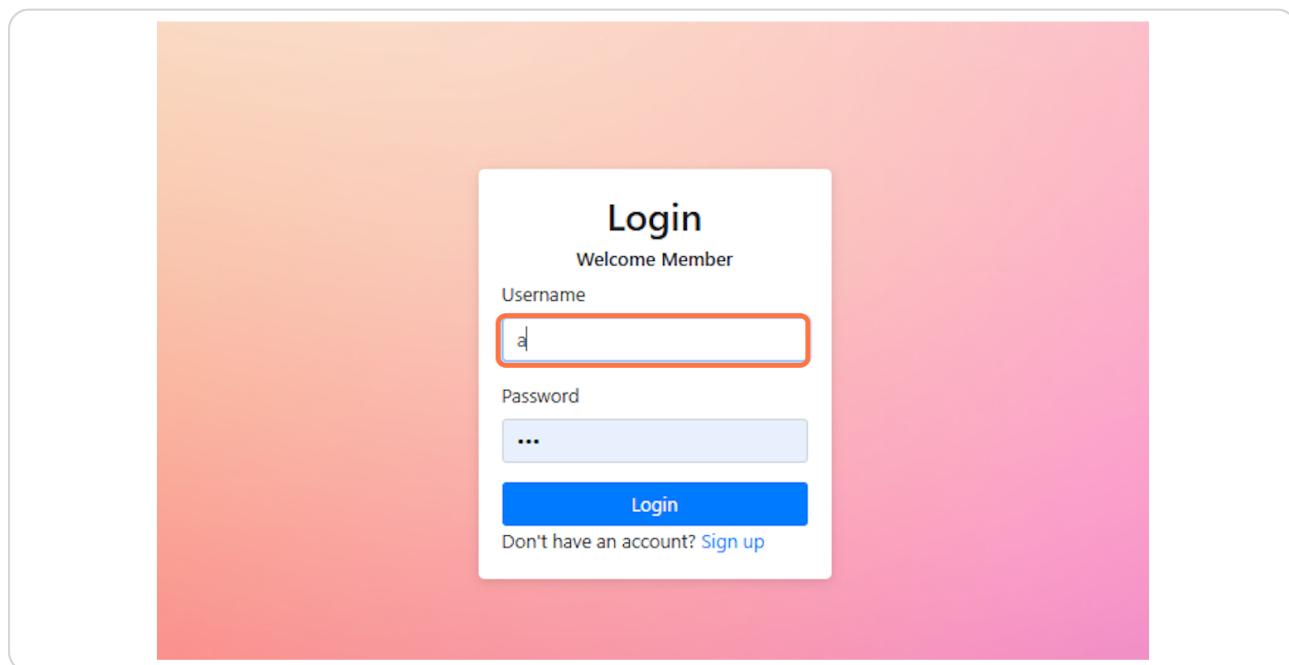

## STEP 34

Type password

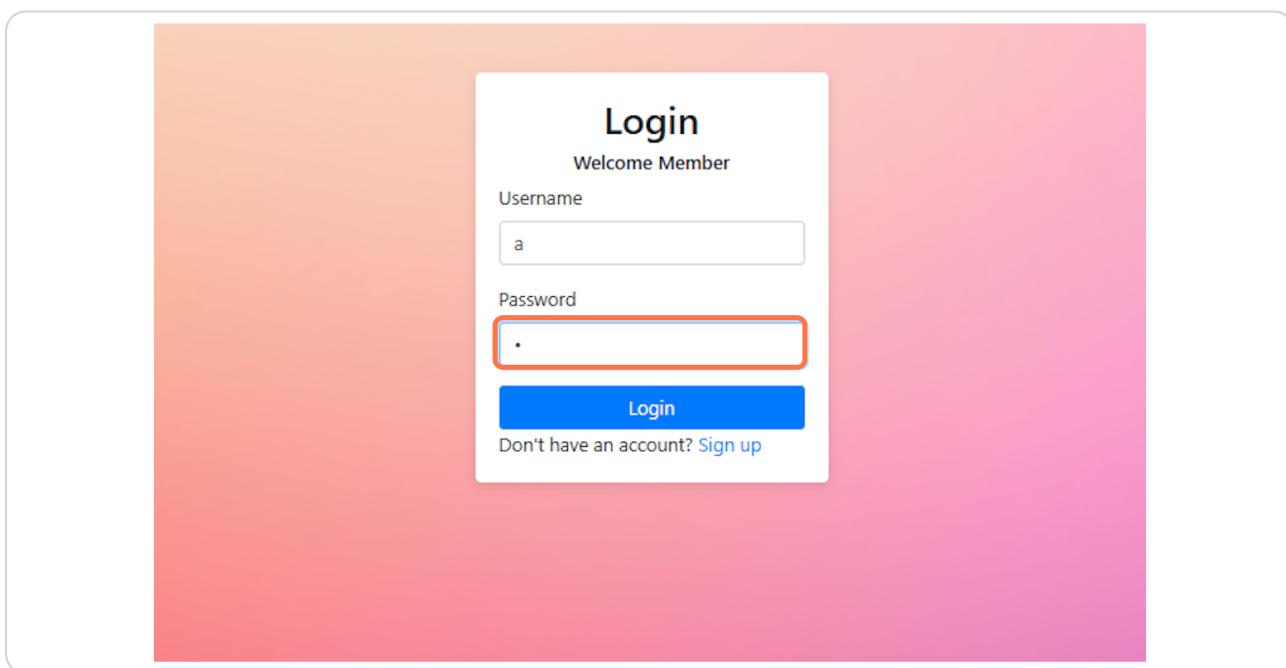

## STEP 35

Type "a"

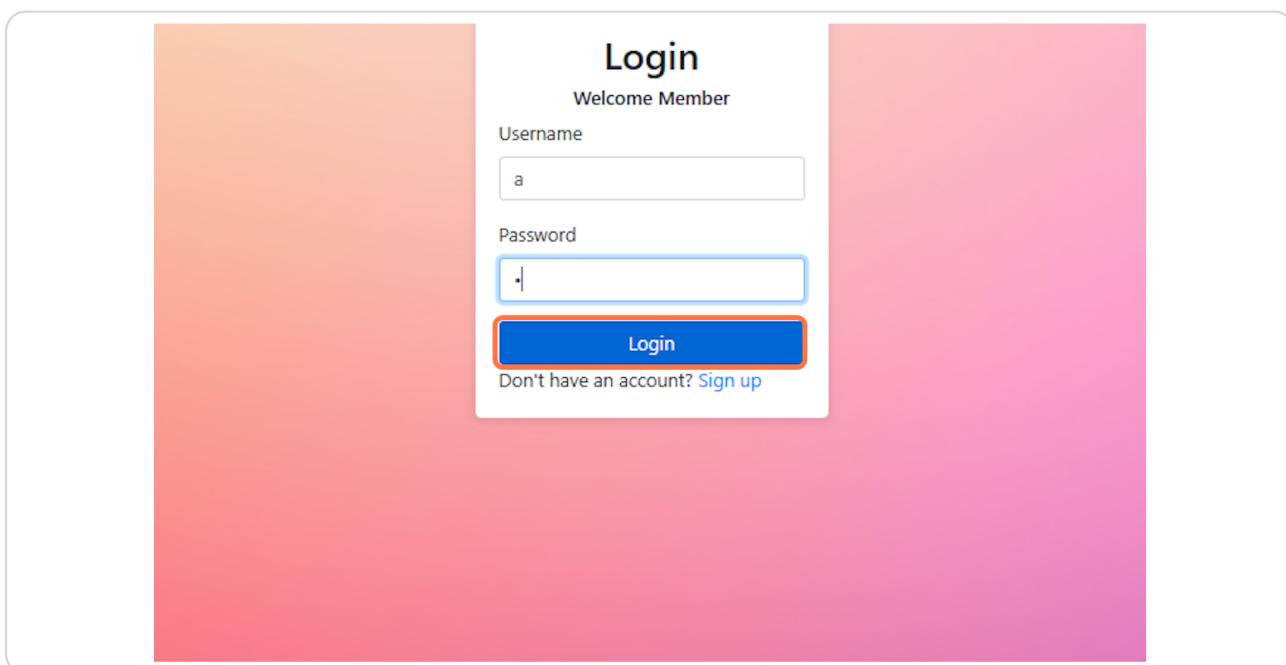

## STEP 36

Type password

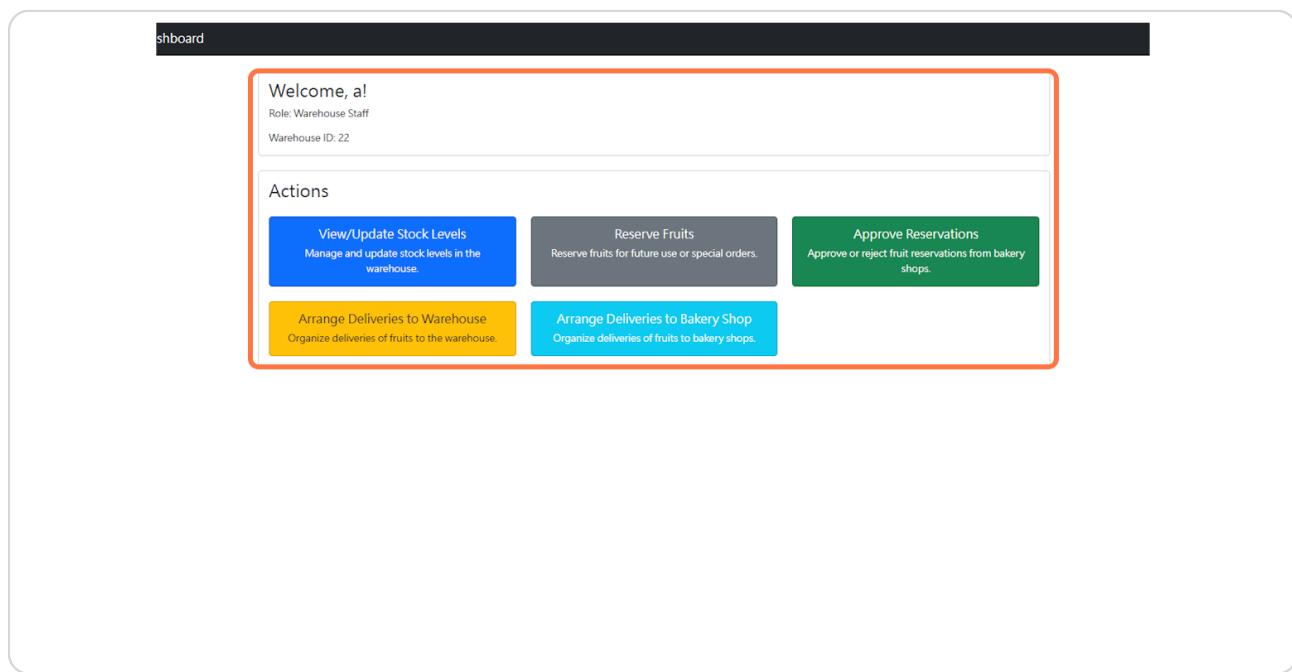

## STEP 37

Click on Login

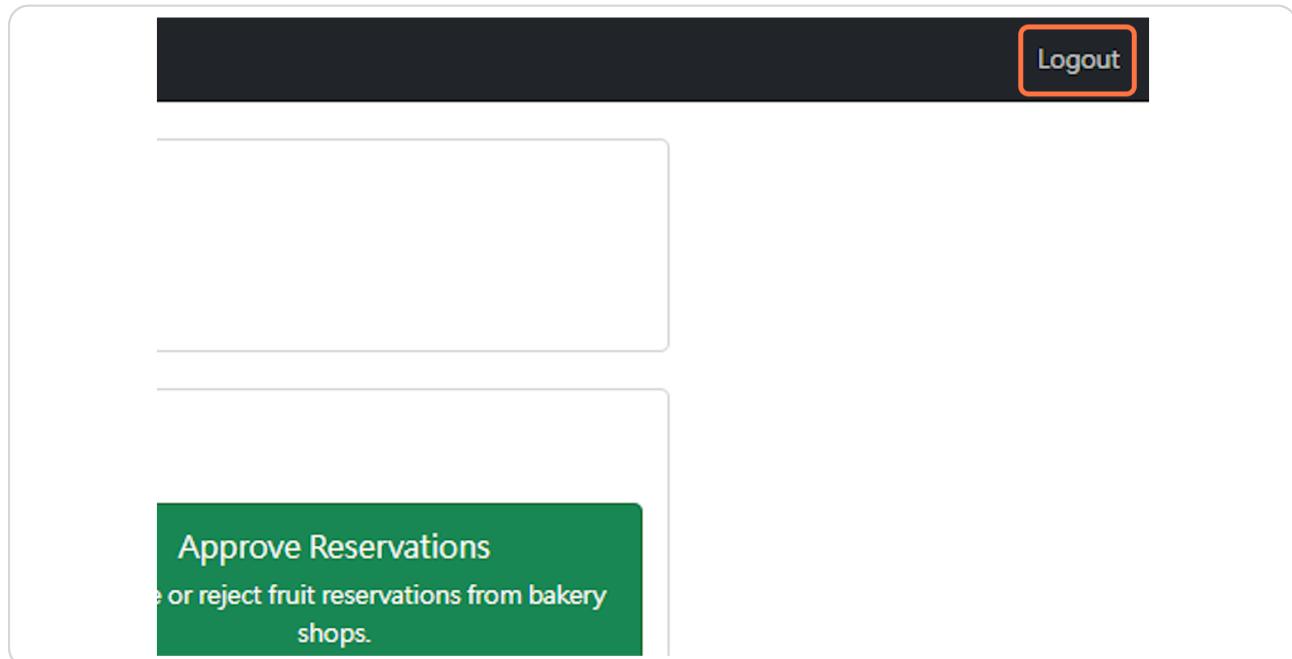

## STEP 38

**Click on Welcome, a!...**

## STEP 39

**Click on Logout**
